

2021 St. Louis Marian Conference Vendor Registrations & Guidelines

Dear Friends in Christ,

Welcome to the 22nd Annual St. Louis Marian Conference. We are happy to have you here and thank you for your participation as a vendor/exhibitor at this year's conference. We hope and pray that you will be blessed throughout the weekend.

Due to the present COVID-19 guidelines, we must limit the number of vendors this year. Because of these limitations, we will only be accepting vendor registrations on a first-come first-served basis. Your payment must be submitted with your vendor registration – no exceptions. Once full vendor capacity is reached, we will begin a wait list. If COVID-19 guidelines are loosened, vendors will be notified by phone if additional spaces become available.

In order to keep the conference running smoothly, we kindly ask that you please observe the following guidelines. Thank you for your understanding and cooperation.

1. Please do not promote or sell any items or products that are not in full accord with the teachings of the Magisterium of the Catholic Church.
2. Due to hotel policy, fire codes, and space limitations: Please DO NOT move any vendor tables, in any way. No exceptions.
3. Please do not bring or use any tables except those provided and set up by the hotel.
4. You have been provided with the number of tables you requested and paid for. Please do not contact hotel staff for more tables or use tables allotted to other vendors.
5. To help our attendees and maintain as much space as possible for traffic flow, please keep the hallways clear of free of displays, racks, etc. We ask that you keep these items behind or in line with your tables.
6. All vendors and staff/volunteers working at your table/booth must be registered and wear a wristband during the conference.
7. Per hotel policy and city health codes, the un-authorized selling of food or drinks on hotel property (including parking lots) is not permitted.
8. Face masks must be worn at your tables; please provide hand sanitizer at your tables.
